A TRIP TO TOKYO

Last year, Claudia went to Tokyo for the first time. She took a very long flight from Mexico City. On the plane, she read a book and slept for a few hours. When she finally arrived, she felt very excited but a little tired.

On her first day, she went to a famous market and saw many interesting things. She bought a beautiful kimono for her mother and some traditional snacks. For lunch, she ate authentic sushi and drank green tea. She thought the food was delicious.

The next morning, Claudia got up early and went to a big park. The weather was perfect. She sat under a cherry blossom tree and wrote some postcards for her friends. Later, she found a small museum near the park. Inside, she saw old paintings and read about the history of Japan. She spent three hours there because the art was beautiful.

In the afternoon, she met a local guide who spoke English very well. He showed her a historic temple and told her many stories. Claudia took many photos of the gardens. In the evening, she went to a small café and met other travelers. They had a wonderful time together and made new friends.

She came back home two weeks later. She brought many gifts for her family, but she kept the best memories in her heart.
