SUNSET TOWER

Welcome to Sunset Tower! This is a large and modern building with twelve floors. It's a very safe place to live because there are fire alarms and smoke detectors in every hallway.

In the lobby, there's a friendly doorman named Mr. Brooks. If you have a problem with a water leak, you can call Mr. Sterling; he's the superintendent. Mr. Bennett is the landlord, and he collects the rent every month.

Sunset Tower has many great areas for the tenants. On the first floor, there's a fitness center with six treadmills and five exercise bikes. There's also a laundry room with four large dryers and many washing machines. For residents with cars, there's a big parking garage with 130 spots.

The apartments are very nice. Ms. Vance is a new tenant. Her place is very bright and spacious. There are many people in the building. Ms. Taylor is the upstairs neighbor, and Mrs. Gable is the next-door neighbor. On the roof, there's a beautiful terrace with four chairs and lots of cacti.
