Today is a very big day for me. I'm in my new apartment. The key is in my hand. This place is finally all mine.

Right now, the apartment is almost empty. My boxes are on the floor in the middle of the room. The walls are clean and white. The afternoon sun is bright through the big windows.

This main room is the living room and the kitchen. The other room is my bedroom. It's not a big apartment, but it's perfect for me. It's quiet here.

I am tired from the move, but I'm not sad. I'm very happy and full of ideas. This empty apartment is a new start. It's a blank page. For the first time, I'm in my own home.
