

DIALOGUE: AT THE GAS STATION

Andy: Hi! Good morning.

Attendant: Good morning! How are you today?

Andy: I'm fine, thanks. Is the air pump available?

Attendant: Yes, it is. It's right there, next to the car wash.

Andy: Oh, I see it. Thanks. By the way, is there a coffee shop near here? I'm a bit tired.

Attendant: Actually, our coffee is very good! The machine is inside the mini-market.

Andy: Perfect. My friends are in the car and they are hungry too. Are the snacks on sale today?

Attendant: Yes, the donuts are "buy one, get one free."

Andy: Great! I'm lucky then. Thanks for your help.

Attendant: You're welcome! Have a nice day.
